Day camp is a volunteer-based program—there is no paid staff at camp. Safety guidelines require a 1:6 ratio of adults to children for the operation of our day camps. Adults are encouraged to volunteer in order for their camper to attend. If you cannot commit to volunteering at camp, we will also need volunteers for camp setup on Sunday, 7/30 and take down on Friday, 8/4. Please complete the attached application with your preferences.

Volunteer services include both a toddlers' unit and a boys' unit. Drinks, snacks, lunch, and crafts will be provided at the cost of **\$10 for Tots and \$15 for Boys** per day.

Training is required for all day camp volunteers, you will be contacted with training dates after registration closes.

**We are not a peanut-free or any other allergen-free camp!**

*Day camp offers girls of all ages the opportunity to discover the fun, friendship and power of girls together. Girls will be able to enjoy the out-of-doors, while learning basic camping and outdoor skills.*

*Would you like to make a difference in a young girl's life? Day camp offers you that opportunity. Service unit day camp is powered by volunteers—some are Girl Scout leaders who have been serving troops throughout the year, while others are involved in Girl Scouting in other ways. Parents' help is needed to ensure success of the camp. Come and share your knowledge and skills . . . try new things . . . spend time with your daughter. The Osceola Day Camp Committee has already done the planning for you—you can come and HAVE FUN. Training will be provided for you, and your younger children and boys are invited to join in the activities in their own special units. Please indicate your desire to join us on the back of the registration form.*
