Update: June 2, 2017
Your student's fees will be live in the District Webstore/PushCoin on June 2nd.

By June 2nd, you should have received an email with your registration codes from PushCoin. If you have not received an email from PushCoin, please check your SPAM Folder or email ask@pushcoin.com.
Student fees are due on August 15, 2017. If you believe your family may qualify for the Federal Free & Reduced Lunch Program, applications for the 2017-2018 school year will be available in July. Even if you currently qualify, you must re-apply at that time. If you no longer qualify for the program for the 2017-2018 school year, your child's registration fees will be due on August 15, 2017.

If you have any questions or concerns regarding fees, please contact Student.Fees@d300.org.
