

# Read-A-Thon!

Dear DHES Families,

**The 4th Annual Read-a-Thon is here! Reading between September 5<sup>th</sup> and 8<sup>th</sup>!!!**

The Read-a-Thon is designed to engage the student both during school and at home to reinforce great reading habits. This fundraiser will provide support to allow the PTC & DHES to create programs and events geared toward the education and development of your child and also for free community events for the whole family!

**On September 22<sup>nd</sup> we are having a CELEBRATION EVENT at Lifezone 360 for all DHES families! All DHES kids are invited to come play games and have fun from 6:30 - 8:30 PM at Lifezone 360 in West Dundee. Families can buy separate tickets for this event, but for those students who raise more than \$30 for their reading will be invited as our special VIP guests to this amazing event!**

This fundraiser also supports other events through out the year, like our amazing in-school assemblies, events like Donuts with Dad, our end of the year Carnival, and so many more! We are also discussing options like playground equipment and other school improvements. All fundraising goes directly back to the school and students, and ultimately towards the betterment of the whole community!

**So please have your student set a goal for the number of minutes that they will read between September 5<sup>th</sup> and September 8<sup>th</sup> and record it on the Pledge Log. Then, they can ask family members, friends, and neighbors to sponsor them for that goal. All money and pledge sheets are due on Tuesday, September 12<sup>th</sup>.**

Also this year, we will have reading happening during classroom time so your students are SURE TO SUCCEED with their reading minutes! Each day we will be designated with a special choice or option for their reading time and also include special reading guests!

All of that and there are great prizes for collecting pledges also! See other side for prize details and to log your pledges!

If you have any questions please email me, Sarah Trommer at [d300.dhes.ptc@gmail.com](mailto:d300.dhes.ptc@gmail.com)
